# 2018 in the Vale of Pewsey

Welcome to the latest update from the [Pewsey Vale Tourism Partnership](#). We have a lot of news to share with you and plenty of opportunities for you to make the most of your membership.

**Please read on - it will only take you a few minutes and we are sure there will be something of interest to you!**

## *Networking Event in February*

We will be holding a networking/steering group event towards the end of February, when we will be sharing news of a filming opportunity with local film maker, Trevor Neal. We will also be keen to find out what your priorities are for 2018 and beyond and get any feedback or thoughts on the priorities for the Partnership.

The venue will be in Pewsey and full details will be available shortly.

# Special Offer Vouchers Leaflet

We will be running our Special Offers leaflet again this year.

The cost is £50 - the same as last year - with a special rate of £25 for anyone who has taken part previously.

Your voucher is double-sided with the offer on one side and an advert on the other and your business location is on the printed map so people can find you.

This year, we will be printing 3000 leaflets, 2000 of which will go to Take One Media for their March distribution and the other 1000 will be distributed through our Tourist Information Kiosks and partner network. We will also have the vouchers on line, both on our website and on Facebook.

The offers will run until either your season ends, or until 30<sup>th</sup> November (details will be on the voucher together with any other specific terms and conditions).

Space is limited and will be allocated on a first-come, first-served basis. To discuss your offer or to book a space, [email Susie at susie@visitpewseyvale.co.uk](mailto:susie@visitpewseyvale.co.uk) by Monday 22nd January 2018.

**Sponsor a World Record Setter!**

Iona Hassan, a local Pewsey lady originally hailing from Scotland, is in the throes of setting a new Women's World Record - and is looking for sponsors. Already supported by [Pewsey Velo](#), there are lots of opportunities to help Iona in her quest.

Iona is cycling around the world in stages to raise funds for a new classroom at Banda Hill Primary School, Malawi and also to support mental health facilities for young people in the North East of Scotland where she grew up. She has already completed the first leg which was from France to Italy last year. This year Iona will be heading over to Africa, then Nepal and Myanmar. The final stretch is across Australia and the USA in 2019.

She will be filming and blogging as along the way, stopping in at villages and chatting with local communities.

Iona will be getting cycle jerseys and T shirts made early in 2018 and would like to have the sponsors and the charities on them. And this talented lady is also offering to talk at events, and, being a classical violist and folk musician, play for dinners, fundraisers and other events in return.

[You can find out more details of how businesses can sponsor Iona on our website](#), as well as full details of the charities and Iona's plans.

## Great West Way Update

As you may be aware, VisitWiltshire is leading a programme of work [to create the Great West Way](#) - based around the Kennet & Avon Canal running from Bristol to London. Obviously, the Vale of Pewsey is well placed to benefit from this and we are

working with VisitWiltshire at every opportunity to make sure we make the most of it.

They currently have a questionnaire on the proposed website and its design and content, so if you would like to take part, [you can do so here](#).

Our thanks go to the Pewsey Area Board for providing grant funding for this project.
