

Are you a business located in or around the Vale of Pewsey with an interest in tourism?

The Pewsey Vale Tourism Partnership is a not-for-profit, community organisation focusing on the promotion of the Vale of Pewsey locally and at a national and international level. We run projects which otherwise would not happen to enhance the infrastructure and visitor experience.

For just £55 per annum (15p a day), your membership not only supports the improvements in and promotion of the Pewsey Vale, but it also gives you:

- An enhanced listing with images on the website - visitpewseyvale.co.uk
- Access to local networking meetings
- Advertising in our network of Tourist Information kiosks
- Regular business news
- Promotion of your business through social media, projects, campaigns and online articles
- Free delivery of stocked local leaflets
- Inclusion in Visitor newsletters
- Special offers from/to other partners
